(A) Filter Search

You can extract the data by entering text.

Multiple searches for AH NO. / YOUR NO. / CHASSIS NO. can be performed using spaces or commas to separate them.

(B) Status Tab

Vehicles are listed by shipping status.

(C) Buttons

Download : Download the displayed vehicle information as a CSV file.

Update : Update the vehicle information to the latest information.

(D) Vehicle Information

Information for each vehicle is displayed.

Double Clicking a row will open the details page.

New Track & Trace Detail Page

The screenshot displays the AUTOHUB Track & Trace interface. On the left, a list of vehicles is shown with columns for AH NO., YOUR NO., CAR NAME, and ETD. The right side shows a detailed view for a vehicle with YOUR NO. 998982. The interface includes sections for Vehicle details, Delivery, and Ship. A callout box (G) highlights the 'Delivery/Export Certificate Release' section, which contains 'ACCEPTED' and 'CONFIRM' buttons.
